ANALYSIS: (Attach a separate page if necessary)

The Department currently is in the process of examining its menus to assess the feasibility of increasing the use of Alaska salmon products. Regardless of the passage of this resolution, the Department will be negotiating for the use of Alaska salmon products in any future contracts for incarceration of prisoners in Arizona or other private prison or Community Residential Center contracts. The substitution of salmon for another product in each of the 600,000 meals per year would be expected to have no fiscal impact, as the Department would substitute salmon for a meat product of similar cost.
